

Ever Art Wood[®]

Realistic timber look
decorative cladding

covet[®]

The Ever Art Wood® Colour Palette

Strikingly realistic, Ever Art Wood® delivers the warmth and character of timber in a low maintenance, UV stable wrapped aluminium.

Created from actual timber species, the range includes a number of textured options and a matte finish. Visit covet.com.au for the latest information on colours and profiles.

* Denotes colours with texture.

Colour swatches and samples represent a small section of the overall timber pattern. Some colours feature distinctive wood grain and knots.

Also available in powder coat colours.

Authentic Timber Alternative

Strikingly realistic, in a wide range of colours, textures, and matte finish. The only external grade cladding that is as at home indoors, as it is out.

Easy To Install

Light weight, dimensionally true, and a range of fixing systems for ease of installation.

Low Maintenance

Ever Art Wood's premium UV stable film is designed to resist fading, warping, splitting, twisting, greying and moulding, even after 10 years of outdoor exposure.

10 Year Warranty

Manufacturer's warranty for outdoor applications.

Fire Rated

Fire Tested AS/NZ 1530.3: Index 0 (spread of flame).
Fire Tested AS/NZ 3837-1998: Group 1.
