

EvoStone

With the look and feel of real quartz stone, this solid surface product can transform and modernise almost any area around the home with a range of warm and beautiful colours. EvoStone slabs come pre-polished in sheet sizes perfectly suited for kitchens, vanities, laundry and some commercial applications.

It can be easily cut and trimmed with standard machinery and tooling. EvoStone is waterproof, durable and being a solid colour throughout the slab, it allows for scratches and marks to be easily polished and removed. EvoStone also comes with a 10 year limited warranty for peace of mind for your next joinery project.
