

Tufclad Ultra Polycarbonate

Tufclad Ultra is built tough to withstand the demands of the harsh New Zealand environment - sun, wind, rain & salt air. Best of all - it's economical so you can maintain the lifestyle you want without blowing the budget. In fact, Tufclad Ultra comes with a limited lifetime warranty against sheet yellowing, loss of light transmission & guarantees to block 99.5% of the sun's harmful UV rays. Tufclad Ultra is the polycarbonate sheeting that's designed to take nature's hard knocks & stay looking good, year after year.
